

Projekt in Palanga: BRILLEN-ohne-GRENZEN

Palanga Initiative - Glasses Without Borders

Free your unused glasses and sunglasses from the drawer and send them on a meaningful journey.

What you no longer need can help someone else see clearly again.

Just bring them along and drop them off at Summit Palanga, it couldn't be easier:

Glasses in. Glasses out. Collection boxes are ready.

They barely take up any space in your luggage but can make a world of difference for someone else.
